

Hi there! I'm

Mufaddal Ali Feroz

Sr. Front End Engineer

I have a passion to design and develop intuitive UI effects, animations, and dynamic user experiences. I have 9 years of expertise in UI designing and developing with tools like HTML5, CSS3, jQuery, GSAP, and frameworks like Bootstrap, Tailwind, Foundation, and Materialize, among others. Designing, building, and testing several web-based programs combining various technologies is a strength.
